Educational background

- 2007-2008 Post-doctoral fellow. Dept. of Pathobiology and Dept. of Anthropology, University of Illinois at Urbana-Champaign.
- 2000-2007 Ph.D. in Anthropology. Dept. of Anthropology, University of Illinois at Urbana-Champaign.
- 1998-2000 Master in Arts in Biological Sciences with Concentration in Applied Ecology. Department of Ecology and Evolution, State University of New York at Stony Brook.
- 1990-1995 "Licenciado" in Biological Sciences. School of Exact and Natural Sciences, University of Buenos Aires, Argentina.

Honors, Awards and Research Grants

- 2008 Scott Neotropical Fund of The Cleveland Zoological Society.
- 2008 Conservation Medicine Center of Chicago (in collaboration with DVD J. Salzer, Emory University)
- 2007 Martha Galante Award- International Primatological Society.
- 2007 Post-Ph.D. Research Grant - The Wenner Gren Foundation.
- 2007 Conference Travel Grant. Graduate College, University of Illinois at Urbana-Champaign (UIUC).
- 2006 Dissertation Completion Grant. Graduate College, UIUC.
- 2006 Conference Travel Grant. Graduate College, UIUC.
- 2005 American Journal of Primatology Subscription Award.
- 2004 Edward M. Brunner Award. Dept. of Anthropology, UIUC.
- 2004 American Association of Primatologists. Research Grant.
- 2004 Computers for Conservation-Empowering the Heroes of the Planet. IDEAWILD, Inc.
- 2003 Leakey Foundation Research Grant.
- 2003 Wenner-Gren Foundation Research Grant.
- 2002 Dissertation Travel Grant. Graduate College, UIUC.
- 2002, 2005 University of Illinois Fellowship. Academic Fellowship. UIUC.

2002 IDEA WILD, Inc. Equipment Grant.

2001 Research Assistance Award (Summer), Dept. of Anthropology, UIUC.

1999 Institute of International Education (IIE), Monica Archibald Fund, Research Grant, Sum.

1998-2000. Academic Institution Award, State University of New York at Stony Brook, Graduate School.

1998-2000. Fulbright Grant, Master in Biological Sciences with a concentration in Applied Ecology (Dept. of Ecology and Evolution in SUNY at Stony Brook).

1998-2000. Institute of International Education (IIE), Monica Archibald Fund, Supplementary Fellowship.

1995. As a consequence of my superior GPA, I have been awarded the Honours Diploma by the University of Buenos Aires, Argentina.

Professional positions

2008-present Assistant Researcher. National Research Council - Argentina (CONICET).

2007-present. Associate researcher. Dept. of Anthropology, UIUC.

2007-present. Associate Editor and member of the Editorial Board of Tropical Conservation Science

2007-2008. Postdoctoral fellow. Dept. of Pathobiology and Dept. of Anthropology UIUC.

2005-2006. Visiting Lecturer ANTH143-The Biological Bases of Human Behavior. Dept. of Anthropology-UIUC. Summer.

2003-present. Scientific Coordinator. Estación Biológica de Corrientes (Field Station Corrientes), Museo Argentino de Cs. Naturales, Argentina.

1995-present. Associate Researcher. Division Mastozoología, Museo Argentino de Cs. Naturales, Argentina.

Publications

Accepted. Mating promiscuity, energetics, and reproductive tactics in black and gold howler monkeys (*Alouatta caraya*). Kowalewski MM, Garber PA. *American Journal of Physical Anthropology*.

Accepted. Births in wild black and gold howler monkeys (*Alouatta caraya*) in northern Argentina. Peker S, Kowalewski, M, ZUnino G. *American Journal of Primatology*

In press. Ecological and anthropogenic influences on patterns of parasitism in free-ranging primates: a meta-analysis of the Genus *Alouatta*. M Kowalewski, T Gillespie. *South American Primates: Testing new theories in the study of primate behavior, ecology, and conservation*. Ed. by A Estrada, P Garber, K Strier, JBicca-Marques and E Heymann. Springer Press.

In press. Demographic and Morphological Perspectives on Life History Evolution and Conservation of New World Monkeys. Blomquist G, M Kowalewski, S Leigh . *South American Primates: Testing new theories in the study of primate behavior, ecology, and conservation*. Ed. by A Estrada, P Garber, K Strier, JBicca-Marques and E Heymann. Springer Press.

In press. Low levels of aggression and evidence of male social affiliation in Pitheciines: Consequences for Social Organization. P.A. Garber and M. Kowalewski. *Evolutionary Biology and Conservation of Titis, Sakis and Uacaris*. Ed. by A. Barnett, L. Veiga, S. Ferrari and M. Norconk. Cambridge

University Press.

2008. Primate research and conservation in northern Argentina: the field station Corrientes (Estación Biológica de Usos Múltiples – EBCo). Zunino GE, Kowalewski MM. *Tropical Conservation Science* 1(2):140-15
2007. Serum Profiles of Fatty Acids, Lipoproteins, Amino Acids, Vitamins A, D, and E, and Minerals in Free-Ranging Howler Monkeys (*Alouatta caraya*) in Northern Argentina. DA Schmidt, M Kowalewski, and MR Ellersieck. *International Journal of Primatology* 28(5): 1093-1107.
2007. Habitat fragmentation and population trends of the black and gold howler monkey (*Alouatta caraya*) in a semideciduous forest in northern Argentina. G Zunino, M Kowalewski, L Oklander, V Gonzalez. *American Journal of Primatology* 69(9): 966-975.
2007. Patterns of affiliation and co-operation in howler monkeys: an alternative model to explain social organization in non-human primates. Kowalewski MM Ph. D. thesis, Dept. of Anthropology, University of Illinois at Urbana-Champaign.
2005. Testing the parasite avoidance behavior hypothesis with *Alouatta caraya*. Kowalewski M, GE Zunino. *Neotropical Primates* 13(1): 22-26.
2005. Conservation in fragments, behavioral plasticity, and the use of tools in Neotropical Primates. Kowaleswski M, J Regh. *Evolutionary Anthropology* 14(6): 211-212.
2004. Birth seasonality in *Alouatta caraya* in Northern Argentina. Kowalewski M; Zunino GE. *International Journal of Primatology* 25(2): 383-400.
2002. Structure of the flooded forest in islands of the middle Paraná River, Argentina. González V, GE Zunino, M Kowalewski, S.P. Bravo. *Revista Museo Argentino de Cs. Naturales* 4(1): 7-12.
2001. *Alouatta caraya*. Relations among habitat, density and social organization. Zunino GE, V González, M Kowalewski, SP Bravo. *Primate Report* 61: 37-46.
1999. Impact of deforestation on a population of *Alouatta caraya* in Northern Argentina. Kowalewski M, GE Zunino. *Folia Primatologica* 70(3): 163-166.
1995. Seed dispersal and viability of *Ficus monckii* ingested by the Black Howler Monkey *Alouatta caraya*. Bravo SP, M Kowalewski, GE Zunino. *Boletín Primatológico Latinoamericano* 5(1): 25-27.
1995. Aggressions between males of *Alouatta caraya* in forest patches from Northern Argentina. Kowalewski M, SP Bravo, GE Zunino. *Neotropical Primates* 3(4): 179-181.
1995. Evaluation of the role of *Alouatta caraya* in the regeneration of forests. Kowalewski MM. Thesis of "Licenciatura", University of Buenos Aires.

Technical reports

1997. Impact of the increasing biomass in howler monkeys *Alouatta caraya*, due to the translocation of groups in a wildlife refuge in Corrientes, Argentina. Zunino GE, SP Bravo, M Kowalewski. Programa de Refugios de Vida Silvestre. Argentine Wildlife Foundation (FVSA)-WWF, Argentina.
1994. Project *Alouatta fusca*. Amaya-Santi M, SP Bravo, M Di Bitetti, M Diuk-Wasser, A Johnson, M Kowalewski, D Rhode. Field report, Argentine Wildlife Foundation (FVSA)-WWF.

Scientific meetings presentations

2008. Leaders and followers in black and gold howler monkeys (*Alouatta caraya*). Vanina A. Fernández y Martín M. Kowalewski. X Congreso de la Asociación Latinoamericana de Antropología Biológica (ALAB), La Plata, Argentina
2008. Plasticity in patterns of dispersal in black and gold howler monkeys. Oklander, Luciana; Kowalewski Martin, Corach Daniel. X Congreso de la Asociación Latinoamericana de Antropología Biológica (ALAB), La Plata, Argentina
2008. Interactions among infants, mothers, and other females in black and gold howler monkeys. Pavé R, Kowalewski MM, Peker S, Zunino GE. X Meetings of the Latino American Association of Physical Anthropology (ALAB), Buenos Aires, Argentina.
2008. Reproductive competition and ambush behaviors in black and gold howler monkeys. M. Kowalewski, P. A. Garber, S. M. Peker, G. E. Zunino. The 77th Annual Meeting of the American Association of Physical Anthropologists, OH, USA.
2007. Births in wild black and gold howler monkeys. Raño Mariana, Peker Silvana, Kowalewski Martin, Garber Paul. Fourth Midwest Primate Interest Group (MPIG) Meeting, Carbondale, IL, USA.
2007. Preliminary study on parent-offspring conflict in *Alouatta caraya*. Pavé R, Kowalewski MM, Peker S, Zunino GE. XXI Jornadas Argentinas de Mastozoología, Tucuman, Argentina.
2007. Allomothering in *Alouatta caraya*. Pavé R, Peker S, Kowalewski MM, Zunino GE. XXI Jornadas Argentinas de Mastozoología, Tucuman, Argentina.
2007. Friendship among black and gold howler adult males. Kowalewski M, Peker S, Oklander L, Zunino G. Octavas Jornadas Nacionales de Antropología Biológica, Salta, Argentina.
2007. Aggression and grooming: two behaviors applied to determine social dominance relationships in *Alouatta caraya*. Kowalewski M, Peker S, Oklander L. Octavas Jornadas Nacionales de Antropología Biológica, Salta, Argentina.
2007. Ecological and anthropogenic influences on patterns of parasitic prevalence in free-ranging howler monkeys. M Kowaleswski, T R Gillespie. 10th Annual Conference on New & Reemerging Infectious Diseases, IL, USA.
2007. Differences in dispersal patterns between two populations of *Alouatta caraya* in northern Argentina. LI Oklander, MM Kowalewski. XII° Congresso Brasileiro de Primatologia, Minas Gerais, Brazil.
2007. Births in wild black and gold howler monkey monkeys in northern Argentina. S. Peker, MM Kowalewski, R. Pave, GE Zunino. XII° Congresso Brasileiro de Primatologia, Minas Gerais, Brazil.
2007. Mating promiscuity, energetics, and reproductive strategies in black and gold howler monkeys (*Alouatta caraya*). M Kowalewski and P. Garber. The 76th Annual Meeting of the American Association of Physical Anthropologists, PA, USA.
2007. Observation of a birth in wild black and gold howler monkeys (*Alouatta caraya*). S.Peker, R. Pave, G.E. Zunino, M.M. Kowalewski. The 76th Annual Meeting of the American Association of Physical Anthropologists, PA, USA.
2006. A case of infanticide in *Alouatta caraya*. Peker S, M Kowalewski, R Pave, G Zunino XXII Reunión Argentina de Ecología, Córdoba, Argentina.

2006. Alternative mating strategies in black and gold howler monkeys. M Kowalewski, PA Garber, GE Zunino. 29th Meeting of the American Society of Primatologists, TX, USA. *American Journal of Primatology* 68(Suppl 1): 95.
2006. Genetic structure of two populations of *Alouatta caraya* in continuous and fragmented habitats. M Kowalewski, L Oklander. 29th Meeting of the American Society of Primatologists, TX, USA. *American Journal of Primatology* 68(Suppl 1): 64.
2006. Genetic consequences of habitat fragmentation in *Alouatta caraya*. LI Oklander, M Kowalewski, GE Zunino, D Corach. 21st Congress International Primatological Society, Uganda. *International Journal Of Primatology* 27(Suppl 1): Abst #334.
2006. Population studies of black and gold howler monkeys (*Alouatta caraya*) in Northern Argentina for the last 20 years. LI Oklander, GE Zunino, M Kowalewski, V Gonzalez. 21st Congress International Primatological Society, Uganda. *International Journal Of Primatology* 27(Suppl 1): Abst #335.
2006. A preliminary study of troop leadership during travel in black and gold howler monkeys. M Kowalewski, V Fernandez, G Zunino The 75th Annual Meeting of the American Association of Physical Anthropologists, Alaska, USA. *American Journal of Physical Anthropology* 129 (S42): 116.
2005. Preliminary study on mating patterns in black and gold howler monkeys. M Kowalewski, GE Zunino. XX Jornadas Argentinas de Mastozoología, Bs. As., Argentina.
2005. Genetic and population studies in *Alouatta caraya* in fragmented forests. LI Oklander, M Kowalewski, GE Zunino, D Corach. XX Jornadas Argentinas de Mastozoología, Bs. As., Argentina.
2005. Longitudinal study on Black and gold howler monkeys (*Alouatta caraya*) over 20 years. GE Zunino, M Kowalewski, LI Oklander. XX Jornadas Argentinas de Mastozoología, Bs. As., Argentina.
2005. Differences in sex-leadership displacements in black and gold howler monkeys (*Alouatta caraya*). VA Fernandez, M Kowalewski. GE Zunino. XX Jornadas Argentinas de Mastozoología, Bs. As., Argentina.
2005. Leading the progression of black and gold Howler Monkeys (*Alouatta caraya*). A preliminary study in Northern Argentina. Second Midwest Primate Interest Group (MPIG) Meeting. St Louis, Mo, USA.
2005. Extra-group copulation in female *Alouatta caraya*. Second Midwest Primate Interest Group (MPIG) Meeting. St Louis, Mo, USA.
2005. Sex-biased behaviors in *Alouatta caraya*. VA Fernandez, MM Kowalewski. GE Zunino. Asociación de Antropología Biológica de la República Argentina, Séptimas Jornadas Nacionales de Antropología Biológica, Argentina.
2005. Who is leading the progression of black and gold Howler Monkeys (*Alouatta caraya*)? A preliminary study in Northern Argentina. VA Fernandez, MM Kowalewski. *Programa e Livro de Resumos XI Congresso Brasileiro de Primatologia*. Bicca-Marques JC, Editors. Porto Alegre: Sociedade Brasileira de Primatologia Pgs: 100

2005. Promiscuous howlers: Extra-group copulation in female *Alouatta caraya* in northern Argentina. MM Kowalewski, SM Peker, GE Zunino. *Programa e Livro de Resumos XI Congresso Brasileiro de Primatologia*. Bicca-Marques JC, Editors. Porto Alegre: Sociedade Brasileira de Primatologia Pgs: 116
2005. Two different ways to assess dominance relationships in black and gold howler monkeys (*Alouatta caraya*). Peker SM, Oklander LI, Kowalewski M. *Programa e Livro de Resumos XI Congresso Brasileiro de Primatologia*. Bicca-Marques JC, Editors. Porto Alegre: Sociedade Brasileira de Primatologia. Pgs: 147
2005. Male mating behavior in black and gold howler monkeys (*Alouatta caraya*) in northern Argentina. M Kowalewski, S. Peker. 73rd annual meeting American Association of Physical Anthropologists. Milwaukee, WI, USA; *American Journal of Physical Anthropology* (Suppl 40): 132
2004. Proposals for environmental education and interpretation in Northern Argentina (NEA). Gonzalez, V, VA Fernandez, GE Zunino, M Kowalewski. Congreso Nacional de Conservación de la Biodiversidad, Buenos Aires, Argentina.
2004. Allogrooming behavior in *Alouatta caraya*. Peker SM, M Kowalewski LI Oklander, GE Zunino. II Reunión Binacional de Ecología, XXI Reunión Argentina de Ecología y XI Reunión de la Sociedad de Ecología de Chile. Mendoza, Argentina.
2004. Chemical characteristics of food eaten by primates from different radiations: how important is protein? J Ganzhorn, C Stark, A Arrigo-Nelson, S Atsalis, A Bollen, C Borries, V Carrai, G Donati, J Fietz, A Koenig, M Kowalewski, P Lahann, D Schwab, P Stevenson, C Tan, E Vogel. Feeding Ecology Conference, Leipzig, Germany.
2003. Life history and folivory in primate species: The importance of juveniles. Kowalewski M, GE Blomquist, SR Leigh. 72nd annual meeting American Association of Physical Anthropologists, AR, USA. *American Journal of Physical Anthropology* (Suppl 36):132-133.
2003. Correlated evolution in hominid midfacial morphology: Neandertals in a comparative context. JA Blumenfeld, GE Blomquist, M Kowalewski. 72nd annual meeting American Association of Physical Anthropologists, AR, USA. *American Journal of Physical Anthropology* (Suppl 36):69.
2003. A phylogenetic approach to quantifying the relationship between age of first reproduction and maximum lifespan. GE Blomquist, MM Kowalewski, SR Leigh. 72nd annual meeting American Association of Physical Anthropologists, AR, USA *American Journal of Physical Anthropology* (Suppl 36):68.
2003. Relationships among habitat, demography and social organization in black and gold howler monkeys. Kowalewski M and GE Zunino Sextas Jornadas Nacionales de Antropología Biológica. Catamarca, Argentina.
2002. A Preliminary study of positional behavior in *Alouatta caraya* in northern Argentina. Kowalewski M, E Violi, D Pereyra & GE Zunino. 71st annual meeting American Association of Physical Anthropologists. Buffalo, NY, USA. *American Journal of Physical Anthropology* 117 (S34): 97.
2002. Is birth timing in *Alouatta caraya* related to the seasonal variation in the availability of food? Kowalewski M. Graduate Student Symposium, Dept. of Anthropology, University of Illinois at Urbana-Champaign. Urbana, IL, USA.

2001. Sleeping-site preference in black howler monkeys (*Alouatta caraya*) in northern Argentina. Oklander L., M, Kowalewski, P. Salomon and G. Zunino XVI Jornadas de Mastozoología, Argentina.
2001. Anti-parasite behavior of black howler monkeys (*Alouatta caraya*). Salomon PS, Kowalewski M & Zunino GE. I Reunion Binacional de Ecología Chilena-Argentina, XX Reunion Argentina de Ecología y X Reunion de la Sociedad de Ecología de Chile, Argentina.
1999. Analyses of births in *Alouatta caraya* related to the seasonal variation in the availability of food. Zunino GE, Kowalewski MM, González V and Bravo SP. IX th Brazilian Congress of Primatology, Brazil.
1999. *Alouatta caraya*. Relations among habitat, density and social organization. Zunino GE, González V, Kowalewski M and & Bravo SP. IX th Brazilian Congress of Primatology, Brazil.
1998. Differential use of defecation and night-resting sites by *Alouatta caraya* in northern Argentina. Kowalewski, M and GE Zunino. XVII International Primatology Society Congress, Madagascar.
1997. Germination experiments with *Ficus monckii*: Errors in control selection. Bravo SP, M Kowalewski and GE Zunino. XVIII Reunión de la Asociación Argentina de Ecología. Facultad de Agronomía, UBA.
1997. Effects of logging on a group of black howler monkeys (*Alouatta caraya*). Kowalewski M, GE Zunino and SP Bravo. VIII Congresso Brasileiro de Primatologia, Reunion Latinoamericano de Primatologia, Sociedade Brasileira de Primatologia.
1997. *Alouatta caraya*, a strict folivorous-frugivorous? Bravo SP, GE Zunino and MM Kowalewski. VIII Congresso Brasileiro de Primatologia, Reunion Latinoamericano de Primatologia, Sociedade Brasileira de Primatologia.
1996. *Alouatta caraya*: importance in seed dispersal and germination. Bravo SP, GE Zunino, M Kowalewski. V Jornadas de Biología del Paraguay, Asunción, Paraguay.
1995. Preliminary Results over the Seed Dispersal and Viability of *Ficus monckii* by *Alouatta caraya*. Bravo SP, M Kowalewski, GE Zunino. XVII Argentine Meeting of Ecology, Buenos Aires, Argentina.
1995. Parasite Elimination from Seeds by *Alouatta caraya*. An Important Factor in Seed Dispersal? Bravo SP, M Kowalewski, GE Zunino. Xmas. Jornadas de Mastozoología, SAREM, Buenos Aires, Argentina.
1995. Evaluation of the Logging Effect on a Population of *Alouatta caraya*. Kowalewski M, SP Bravo, GE Zunino. Xmas. Jornadas de Mastozoología, SAREM, Buenos Aires, Argentina.
1995. Contamination by Canine Feces and Prevalence of Helminths in the Parks of Buenos Aires. Students and the teaching body of the Parasitology Course, School of Exact and Natural Sciences, University of Buenos Aires. 1er Congreso Argentino de Zoonosis y 1er Congreso Latinoamericano de Zoonosis, Asociacion Argentina de Zoonosis, Buenos Aires, Argentina.
1994. Comparison Between Census Methods in Howler Monkeys (*Alouatta caraya*) in Fragmented Areas. Amaya-Santi, M, M Kowalewski, J C Ruiz. 9nas. Jornadas de Mastozoología, SAREM (Argentine Society for the Study of Mammals), CBA, Argentina.

1993. Physiological Welfare in *Saimiri boliviensis* (Primate): Standards of Behavior and Physiology. Amaya-Santi, M, M Diuk-Wasser, M Kowalewski, L Stritmatter. 8vas. Jornadas de Mastozoología, SAREM, RN, Argentina.

Meeting participant

2001. 70 Meeting American Association of Physical Anthropologists. Kansas C, Mo, USA.

1996. International Forum of NGOs-Biological Diversity Convention. Bs. As., Argentina.

1996. Global Forum of Biodiversity (IUCN). Bs. As., Argentina.

Research and professional experience

2007. Spanish language and cultural consultant. National Restaurant Association Educational Foundation (NRAEF).

2006. Research Assistant. Department of Anthropology-UIUC. Spring.

2005. Organized Symposium: Primatology in Argentina, 20 years of research. XX Jornadas Argentinas de Mastozoología, Bs. As., Argentina.

2004. Co-Principal Investigator. Normal nutrients contents in the diet of wild black and gold howler monkeys. In collaboration with the Lincoln Zoo, Chicago, IL, USA.

2003-2004. Principal Investigator. Patterns of social affiliation and co-operative strategies in black and gold howler monkeys.

2003-2005. Co-Principal Investigator. Parasites in black and gold howler monkeys in Northern Argentina. In collaboration with the University of Nordeste, Corrientes, Argentina.

2002. Graduate assistant. Dept. of Anthropology-UIUC. Fall.

1993-2005. Research Work in the Argentine Museum of Natural Sciences "Bernardino Rivadavia", Division of Mastozoology, Primatology Group. We are carrying out different projects related to primate ecology and the role of monkeys in the dynamics of subtropical forests. I also collaborated with other groups in additional projects:

-Genetic variability, chromosomal polymorphisms and speciation in rodents and primates. UBA, University of Buenos Aires, Argentina. 1995-1997.

-Biogeographical, genetic and behavioral determinants of variability in wild and captive population. CONICET (National Council of Research and Technology of Argentina) -PIP#4431-Argentina. 1996-1998.

-Role of *Alouatta caraya* in the dynamics of the subtropical forest. CONICET-PIA#6498-Argentina. 1997.

-Biogeographical and genetics determinants of the variability and their relation to the especiation in natural population of primates. UBACYT, University of Buenos Aires, Science and Technique - Argentina. 1998-2000.

-Geographical distribution, density and social organization determinants of black howlers in Argentina. ANPCYT-PICT# 6171 (National Agency of Scientific and Technological Promotion). 2000-2003.

-Effects of habitat fragmentation on a population of *Alouatta caraya*. ANPCYT-PICT# 6171b. 2003-2006

1995-1996. Effect of altered population size by the translocation of primates. MACN, Argentine Wildlife Foundation (FVSA), Wildlife Refuge, San Juan Poriahu, Argentina.

1994. *Alouatta fusca* Project. Evaluation of population status of Howlers Monkeys in the preserve "Cruce Caballero" (Misiones, Argentina). Wildlife Foundation (FVSA), Laboratorio de Investigaciones Ecológicas de las Yungas (LIEY), Universidad de Tucumán, Argentina.

1993-1995. Evaluation of the role of *Alouatta caraya* in the regeneration of forests. Seminar thesis. Advisor: Dr. G. E. Zunino (Argentine Museum of Natural Sciences "Bernardino Rivadavia" and National Institute of Natural Science Investigation), Buenos Aires, Argentina.

1993. Reproductive Behavior of Female Howler Monkeys (*Alouatta caraya*). Field Assistant. (Argentine Museum of Natural Sciences "Bernardino Rivadavia" and National Institute of Natural Science Investigation), Argentinean Primate Center (CAPRIM), Consejo Nacional de Investigacion Cientifica de Argentina (CONICET), Corrientes, Argentina.

Internships

1993. Population Density of *Alouatta caraya* (Howler Monkeys) in northern Argentina. Argentinean Primate Center (CAPRIM), Consejo Nacional de Investigacion Cientifica y Tecnica (CONICET), Corrientes, Argentina. August.

1993. Effects of Different Types of Housing on Squirrel Monkey Behavior. Argentinean Primate Center (CAPRIM), Consejo Nacional de Investigacion Cientifica y Tecnica (CONICET), Corrientes, Argentina. August.

Teaching (USA)

2005/2006. ANTH143-The Biological Bases of Human Behavior. Dept. of Anthropology-UIUC. Summer. Visiting Lecturer. Summer.

2002, 2005-2006 Online Instructor (WebCT based course): ANTH143-Biological Bases of Human Behavior. Guided Individual Study, Department of Distance Learning, University of Illinois at Urbana-Champaign (UIUC).

2002. Online Course Developer (WebCT based course): ANTH143-Biological Bases of Human Behavior. Guided Individual Study, Department of Distance Learning, University of Illinois at Urbana-Champaign (UIUC).

2001-2002 ANTH102-Humans Origin and Culture. Dept. of Anthropology -UIUC. Teaching assistantship Spring 2001- Fall 2001-Spring 2002.

2000, 2002, 2005 ANTH143-The Biological Bases of Human Behavior. Dept. of Anthropology -UIUC. Teaching assistantship. Fall 2000-Fall 2002-Fall 2005

Teaching and non-formal education (Argentina)

2005. Invited Professor and organizer. Course: "Ecology and Behavior of Primates: Importance of cooperative and affiliative relationships in the evolution of sociality in non-human primates" XX Jornadas Argentinas de Mastozoología, Bs. As., Argentina.

2004. Lecturer. II Curso Latinoamericano de Biología de la Conservación de Primates, Formosa, Argentina.

2003-2004. Invited Professor and organizer. III and IV Course: Neotropical Primates, Ecology and Behavior". Estación Biológica de Corrientes y Museo Argentino de Cs. Naturales. Corrientes, Argentina. August, 100 hs.

- 2003-2004. Professor. I and II Course: "Primates Behavior". Estación Biológica de Corrientes y Museo Argentino de Cs. Naturales. Corrientes, Argentina. March, 80 hs.
2001. Workshop: Conservation of Natural Resources. VII Encuentro Provincial de Clubes de Ciencias y III Encuentro Regional-Nacional de Ciencia y Tecnología. Isla del Cerrito, Pcia. del Chaco, Argentina. July.
1999. Course for the Formation of Naturalist Guides. Coordination and Instructor. GEOS Asociación Civil. July-August.
- 1997.-1998. Environmental Education Workshop. Coordinator. Instituto Dr. L. F. Leloir (High School).
1997. Professor. Escuela Argentina de Naturalistas. Course: Neotropical Primates. 1997.
- 1996-1998. Naturalist/Interpreter Guide. Conducted nature tours and led exploratory activities for elementary, intermediate, high school and university groups concerning the natural history, ecology, biology and restoration of natural environments. GEOS Asociación Civil.
- 1996-1998. Biological Sciences Teacher. Dr. F. Leloir High School.
- 1996-1998 Radio Workshop. Coordinator: Live program produced by high school students. Instituto Dr. F. Leloir.
- 1996-1997. Associate Professor. Taught course: Environmental Indicators. Superior School of Environmental Sciences, Buenos Aires, Argentina.
1995. Guide and Biological Adviser in the "Reserva Natural Estricta de Otamendi" (Strict Natural Reserve of Otamendi), Buenos Aires, Argentina. Part of the National Parks Administration. Enterprise of Recreation Activities "Con-Jugar".
1995. Evaluation of guides in "Reserva Ecologica Costanera Sur" (Costanera Sur Ecological Reserve). Argentine Wildlife Foundation (FVSA-WWF).
1995. Course for the Formation of Naturalist Guides. Collaborated as Instructor-Guide. Argentine Wildlife Foundation (FVSA-WWF). June-July.
1995. Biological Sciences Teacher. "Espiritu Santo" High School.
1993. Nature Interpretation. Organized and offered this workshop for the Group of Costanera Sur Volunteers. Argentine Wildlife Foundation (FVSA-WWF). October.
1993. Course for the Formation of Naturalist Guides. Collaborated on offering this course. Argentine Wildlife Foundation (FVSA-WWF). September.
1992. Control over the Traffic of Wildlife. Collaborated on offering the course as an agreement between Argentine Wildlife Foundation (FVSA) and Secretary of Natural Resources and Human Environment. October.
- 1991-1996. Naturalist/Interpreter Guide in the "Reserva Ecologica Costanera Sur" (Costanera Sur Ecological Reserve), Municipalidad de la Ciudad de Buenos Aires. Conducted nature tours and led exploratory activities for elementary, intermediate, high school and university groups concerning the natural history, ecology, biology and restoration of the preserve for the Argentine Wildlife Foundation (FVSA-WWF).

1991-1992. Biological Advisor. Buenos Aires Zoo, Buenos Aires, Argentina.

Languages

Spanish: Native language; English: Thorough knowledge; French: Working knowledge; Latin: Working knowledge.

Associations

Sociedad Argentina de Antropología Biológica.

Sociedad Argentina de Primatología

GEOS Asociacion Civil. Founder member. (Vice-president 1996-1998).

Graduate Association of Student of Anthropology (GASA) -UIUC (Secretary 2005-2006)
